DISCLOSURES

A SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

This document is for the presentation of Hugel, Inc.(“Company”) and provided for the convenience of investors only. This presentation may contain "forward-looking statements" - that is, statements related to future, not past, events. In this context, "forward-looking statements" often address our expected future business and financial performance, and often contain words such as "expects”, "anticipates”, "intends”, "plans”, "believes”, "seeks” or "will ". “Forward-looking statements" by their nature address matters that are, to different degrees, uncertain. These uncertainties may cause our actual results to be materially different from those expressed in this document. The Company may make changes to or update this presentation or the contents at any time without notice. No user of this document may republish, copy, reproduce, modify, post, transmit or distribute in any way any portion of this presentation without the prior written consent of the Company. By attending the presentation, you agree that all matters relating to violation of the above restriction shall be governed by the Capital Market laws of Korea. September 2026
